# About Organizer

Trade Promotion Council for Geospatial and Space Industry (TPCGSI) is the not-for-profit apex body representing the interests of Geospatial, Space, Unmanned Systems and Aerospace industries in India and works towards the advancement of these technologies and its applications. TPCGSI is a very strong platform for exchanging ideas, techniques, approaches, and experiences by those who design, implement, and use these technologies and solutions. The Major objective of TPCGSI is to accelerate the adoption of Geospatial, Space, Unmanned Systems and Aerospace industries in India and to ensure that government, industry, academia, and society as a whole understand both the needs of this industry and its contribution to the nation's development.
